

CHECKLIST: Do You Need Enterprise IT Services?

Enterprise IT departments have a lot on their plates. From managing multiple vendors across multiple locations to cyber security and network infrastructure, challenges abound. Navigate through our checklist to see if you could benefit from help with your enterprise IT or if you've got it under control:

Does your IT department struggle to take care of responsibilities across multiple locations?	<input type="checkbox"/> YES	<input type="checkbox"/> NO
Do your IT resources spend an exorbitant amount of time managing numerous technology vendors?	<input type="checkbox"/> YES	<input type="checkbox"/> NO
Are you dissatisfied with your technology vendors? (For example, if you have ever had unreasonable downtimes, costs, and/or installation headaches, consider that those problems are not normal.)	<input type="checkbox"/> YES	<input type="checkbox"/> NO
Would you prefer to consolidate the number of carriers you utilize and vendor bills you pay?	<input type="checkbox"/> YES	<input type="checkbox"/> NO
Do you find it challenging to scale your operations for new projects?	<input type="checkbox"/> YES	<input type="checkbox"/> NO
Does your network run on older technology with security that may not be up to modern standards or fit for proactively defending against today's threats?	<input type="checkbox"/> YES	<input type="checkbox"/> NO
Do you lack the resources needed to launch new technology and upgrade your IT infrastructure in a timely manner?	<input type="checkbox"/> YES	<input type="checkbox"/> NO
Is your network architecture lacking cost effective, optimized internet services and applications needed to keep all your locations secure and connected?	<input type="checkbox"/> YES	<input type="checkbox"/> NO
Have you ever had an issue with remote access or keeping your employees at different locations connected?	<input type="checkbox"/> YES	<input type="checkbox"/> NO
Is your IT staff burdened with countless tickets every day, leaving little time for more important projects?	<input type="checkbox"/> YES	<input type="checkbox"/> NO
Do you suspect you are overpaying for circuits that you're underutilizing?	<input type="checkbox"/> YES	<input type="checkbox"/> NO

If you answered "No" to nearly all of these questions, your organization is on the right track. But if you answered "Yes" to 2 or more, you could benefit from a free consultation with TailWind.
